Subcategory	Rope access harnesses

## **PODIUM**

The PODIUM provides optimal comfort during prolonged suspension. The wide sitting position offers excellent stability. Rigid sides prevent the webbing straps from cutting into the thighs. The easy-to-use seat has two equipment loops and a rear hook, making it easier to store in order to facilitate movement. It connects to ASTRO BOD FAST and ASTRO SIT FAST harnesses with two shackles (reference C087AA00).

The easy-to-use seat has two equipment loops and a rear hook making it easier to store in order to facilitate movement.

Short Description	Seat designed for prolonged suspension
